## **UNIFORM INFORMATION**

**NAME EVERYTHING PLEASE** – it's pretty hard to tell one Mercer rowsuit from another if they're not named.

### **IMPORTANT ROWSUIT CARE:**

To make sure your rowsuit lasts the distance please follow the washing instructions tag inside the rowsuit. In particular: **Always handwash or gentle cycle wash using mild soap and to dry inside in the shade. Do not hang in the sun or tumble dry the suit.**

To minimize wear and tear on the MRC suit just keep it for raceday and don't wear it for everyday trainings. Use a close fitting t-shirt and bike shorts or purchase a cheaper training rowsuit. The following websites have training suits in their online stores in all manner of colours and designs from flouro to tuxedo and provide quick service from Australia and the UK.
